

Resources

The screenshot displays the OpenText GUI Test interface for a test titled "GUI Test1 - Res5". The top status bar shows a green checkmark, the test name, and a progress indicator with "Passed: 2 (100%)" and "Warnings: 0 (0%)". Below this, the "Test Data" section provides execution details: "Execution Time: 2023-11-15 03:33:24", "Duration: 00:00:05", and "Test Name: OpenText UET One 21.4".

The main area is divided into two panes. The left pane, titled "Errors list", shows a "Test flow" with a search bar and "Collapse All" / "Expand All" buttons. It lists two actions under "Action1": "AIUtil.SetContext" and "AIUtil('button', 'LOG IN').Click", both marked with green checkmarks. The right pane, titled "Step Details", shows the details for the selected step "AIUtil('button', 'LOG IN').Click". It includes an "Execution" timestamp of "2023-11-15 03:33:29" and a small screenshot of the application interface with a red box highlighting the "LOG IN" button. The "AI Object" section lists "Properties" for the object: "text" with value "LOG IN" and "control_class" with value "button". It also shows "Certainty of object identification" as "95.86%" and "Text Match Method" as "mirAllMatch".

At the bottom right of the interface, there are "Light" and "Dark" theme toggles and the "opentext" logo.
